A Summary of Distinctive Competencies

My career spans higher education management, NGO management and administration, Public Policy and Management and consultancy across the continents of Africa, Europe and America.

I have lectured and researched in the higher education sector (Universities) for over 20 years in Africa, USA and Europe. During this period, I have developed the following skills and competencies:

- Education policy development, review and evaluation
- New programme development and management, notably: setting up, managing MBA, MSc International Business and Management, Development Administration, among others
- Curriculum Design and revalidation
- Talent Management and Development
- Quality Assurance
- International Partnership Development
- Strategic Planning
- Project Planning

- Supervision of PhD, MBA and MSc research. I have five PhD completions; over 150 Masters Degree supervisions. I have served as panelist for PhD vivas in Africa and Europe

Teaching/lecturing: I have taught various modules in management:

- Corporate Governance
- Corporate Social Responsibility and Governance
- Leadership, Integrity and Ethics
- Corporate Citizenship
- Strategic Management
- International Business Strategy
- International Marketing/Marketing/Consumer Behavior
- Human Resource Management/Organizational Behavior
- Organizational Transformation
- Research Methods
- Leadership and Organizational Development
- Talent management
- Research Methods

Research Areas: I have distinctive competencies in the following research areas:

- Research and Consultancies
- Education Policies
- Corporate Governance
- Good governance
- Development Policies
- Strategic Planning

My cross-cultural experience and global insertion have enabled me to develop a unique ability to leverage on transnational best practices. I have served as strategy advisor to several profit and non-profit organizations

I am a hands-on, flexible person ready to take new challenges and deliver results.

Most Recent Accomplishment: Mandela Washington Fellowship for Young African Leaders:

I served as the Academic Director and Program executive for the premier Department of State “Mandela Washington Fellowship for Young African Leaders”, Leadership and Entrepreneurship track at the University of Notre Dame, June –August 2014. I designed the curriculum, solicited resources, funds from corporate partners – IBM, Coca-Cola, Price-Waterhouse Coopers, [Capsim](#) and Caterpillar among others.

I recently served as lead consultant and Academic director for the YALI Institute at Notre Dame Feb- August 2015. I am also involved in the development of regional YALI centers in Africa as consultant.
